Engaging young farmers and ranchers at the grassroots level is critical to the growth of the Texas Farm Bureau YF&R program and organization as a whole. The State Board of Directors have approved a County YF&R Incentive Program for 2018. This plan encourages county boards and their YF&R chairs to address the following criteria:

- 2. Develop a YF&R county committee that is YF&R age – 35 or younger. (Does not have to serve on county board, committee must consist of 3 or more people, including chair)**
- 3. Develop a county plan of work that includes a YF&R event/activity in your county (apart from what the State YF&R Advisory Committee does).**
- 4. Send one new couple/individual to YF&R Leadership Conference or Fall Tour (Individual or county funded.)**
- 5. Have an applicant participate in the Outstanding YF&R, Excellence in Ag or Discussion Meet Contests.**

If the county YF&R committee completes items 1-3 the committee will receive a TFB branded cooler. If they complete 1-5 they will receive the cooler and a TFB branded Bluetooth speaker.

To be eligible for the incentives awards, the criteria must be completed between January 1, 2018 and December 31, 2018.
