WHO CAN PARTICIPATE?

▶ K-3 teachers are eligible to sign up for their class/es to participate.

HOW IT WORKS!

▶ Classes will meet with a different farmer or rancher during the months of September, October, November, and December. The goal is for students to see how diverse agriculture is through live visits to farms and ranches across Texas.

▶ A date will be selected each month for the live farm or ranch visit.

▶ Teachers will be sent an access link for the live visit the day prior to the scheduled date.

▶ Any classes that are unable to engage with the live visit will be sent a link to the recording.

▶ Teachers will be asked to complete a very short participation survey so we can track participation each month. *Please Note: Completion of the participation survey is important as we continuously evaluate the value of our programs to teachers and students across Texas.

▶ Student questions are highly encouraged and can be submitted via the chat function on the platform.

SIGN UP:

▶ Teachers can sign up for the program through Sept. 3 via the following form: https://forms.gle/PZg7GJKgiWXkU2ih9

FOR MORE INFORMATION:

For questions, contact Jordan Walker, TFB associate director of Organization Division, Educational Outreach, at jwalker1@txfb.org or 254.751.2569.
