BACKGROUND

The Discussion Meet is a competition promoted by the Texas Farm Bureau (TFB) Young Farmers & Ranchers (YF&R) Advisory Committee. Farm Bureau's strength depends on its members' abilities to analyze agricultural issues and decide on solutions that best meet their needs. The competition is designed to simulate a committee meeting where discussion and active participation are expected from each committee member. Participants build basic discussion skills, develop a keen understanding of important agricultural issues and explore how groups can pool knowledge to reach consensus and solve problems. A successful participant is a productive thinker rather than an emotional persuader. He/she will assist the group in creating ways to implement the solutions discussed and highlight Farm Bureau's involvement in those actions/steps.

Information about the Discussion Meet participant is requested on the entry form.

All information is handled in strict confidence and is destroyed after judging is completed.
