

TEXAS FARM BUREAU 2024 CLOVER CASH TEXAS 4-H GRANT PROGRAM

Project Overview:

Texas Farm Bureau's Clover Cash grant program was created to support Texas 4-H programs at the county, district, and state levels. These programs should strive to help students understand the importance of advocating for agriculture. Students should also gain an appreciation and better understanding of where their food, fuel, and fiber come from. Qualifying projects will provide a hands-on experience for all members involved.

Eligibility Requirements:

- County Extension Agents
- District 4-H Specialists
- State 4-H staff responsible for any state level 4-H program
- Adult leaders of any county 4-H club
 - Must provide a letter of support from their County Extension Agent recognizing them as a valid Texas 4-H club

Project and Application Guidelines:

- Projects should be based on an agricultural concept. Preference will be given to those projects that are hands-on agricultural learning activities.
- Students must be directly engaged in the educational component.
- A timeline of the project and a list of all community partners must be listed on the application.
- The application must contain a detailed budget with estimated expenses.
- Applications will be accepted from County Extension Agents, District 4-H Specialists, State 4-H Staff responsible for a state-wide 4-H program, and 4-H Club Adult Leaders.
- Grant checks will be made payable to an organization, not an individual.

Grant Amounts Available:

- At the state level, three grants of up to \$2,000 each will be awarded.
- At the district level, four grants of up to \$1,500 each will be awarded.
- At the county level, four grants of up to \$500; four grants of up to \$750; and three grants of up to \$1,000 each will be awarded.
