

TEXAS FARM BUREAU®

ANGORA GOATS

Activity Book

This book belongs to:

Angora goats produce _____.

List four things that can be made using mohair.

Did you know?

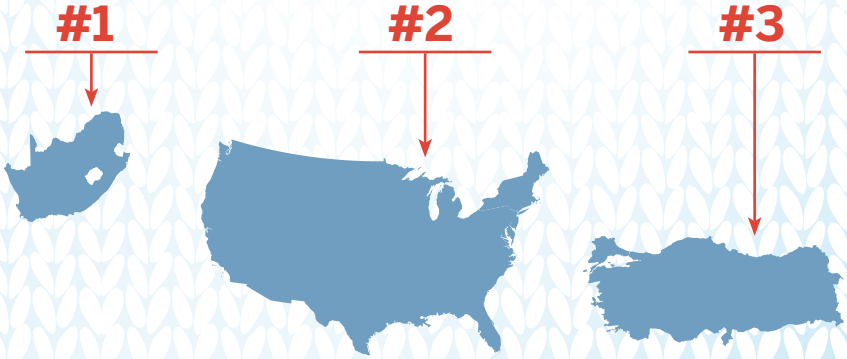

Texas ranks #1 in mohair production! Arizona ranks #2, and New Mexico ranks #3. Label the top three states and color each of the three states a different color.

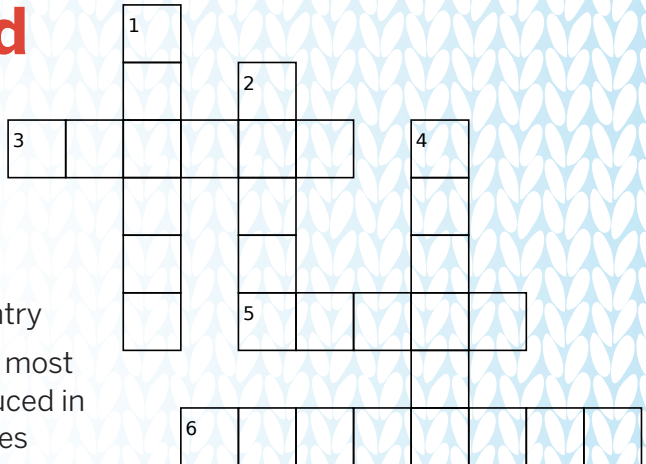

All other states can be colored yellow.

Find it:

The United States is one of the top three mohair producing countries. Look at a world map to see if you can identify the other two countries.

Crossword Puzzle:

Down:

1. the #1 mohair producing country
2. the state where most mohair is produced in the United States
4. the fiber harvested from Angora goats

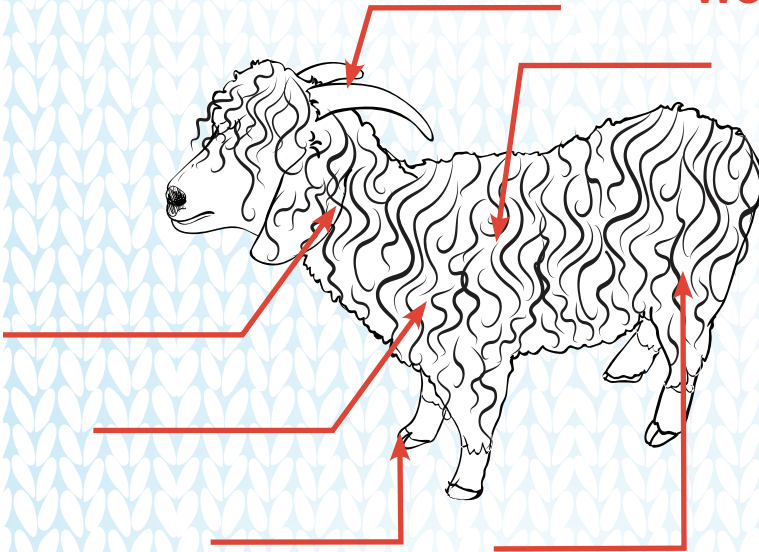

Across:

3. mohair is often used to create this
5. Angora goat ranchers do this two times per year to remove the mohair from the goats
6. the process of cleaning mohair

Label the parts of an Angora goat!

Word Bank

neck
horns
hoof
rib
britch
shoulder

Draw it:

Angora goats like to graze (eat) on grasses, limbs, leaves, and more. Draw a habitat where an Angora goat might like to eat.
