

TEXAS FARM BUREAU®

# Peanut Activity Book

This book belongs to:

# There are four peanut varieties

and Texas farmers grow ALL FOUR!

**Runner**

**Virginia**

**Spanish**

**Valencia**

Peanut photos courtesy Texas Peanut Producers Board

## Compare and contrast

How do the varieties look the same? How do they look different?

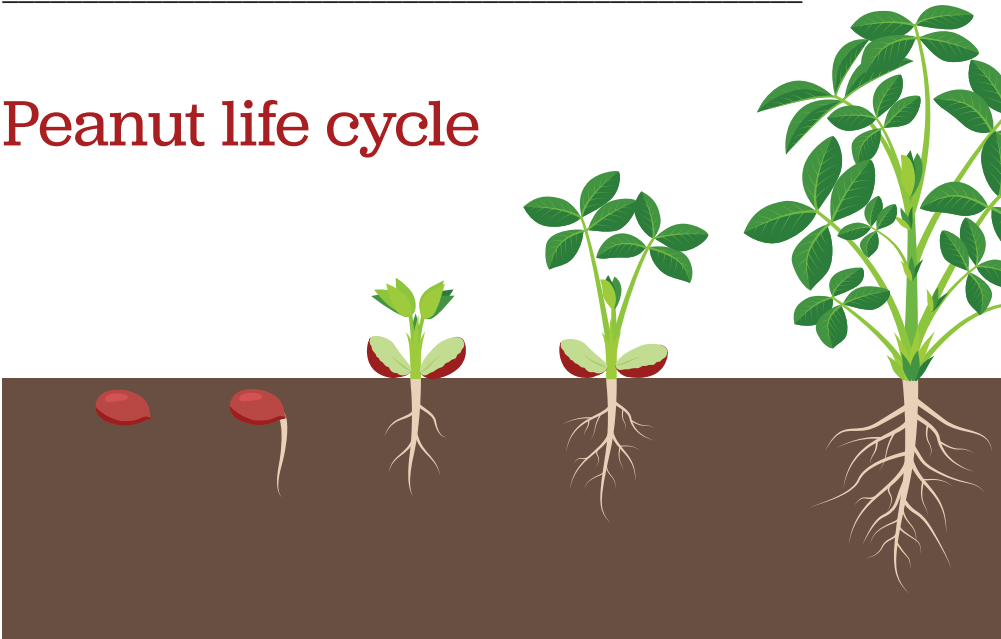

---

---

---

---

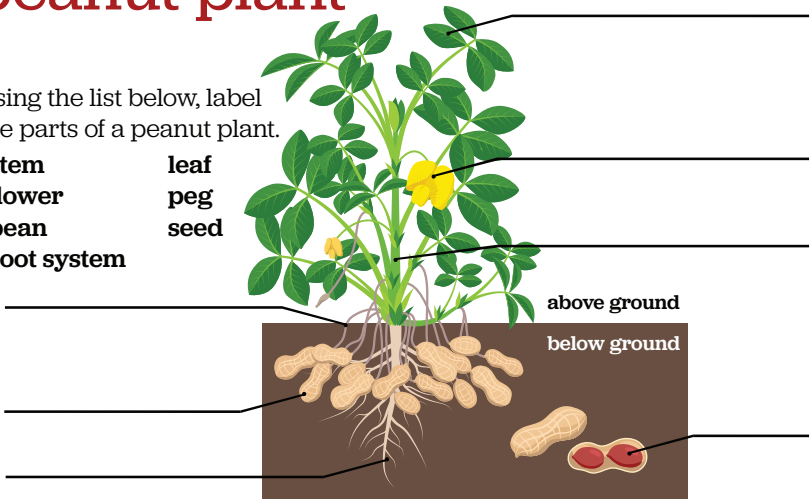

## Peanut life cycle

# Label the parts of the peanut plant

Using the list below, label the parts of a peanut plant.

- stem
- flower
- bean
- root system
- leaf
- peg
- seed

## Did you know?

Peanuts grow on the plant underground.

# What are peanuts used for?

List all of the ways you might use peanuts.

---

---

---

Was peanut butter one thing you listed? Write a creative recipe that uses peanut butter.

---

---

---

---

---

## Did you know?

Texas is the fourth leading producer of peanuts in the United States! Look at a map and guess which states rank 1, 2, and 3 ahead of Texas for peanut production.
