

COTTON

3rd-5th Grade Worksheet

connection

**Let's play Sudoku! Fill all empty boxes with a symbol.
Do not repeat a symbol in the row, columns, or boxes.**

**List four products that are made using cotton and
draw a picture of each.**

Cottonseed oil is cotton's most valuable by-product.
You are opening a cotton-themed restaurant!
Research a recipe that uses cottonseed oil or write your own.

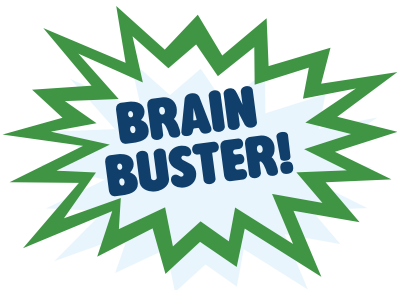

Recipe Name: _____

Ingredients:

Directions:

Draw a picture of your food:

In 1793, it took 10 hours to separate 50 pounds of lint using the cotton gin. **How many hours did it take to separate 1 pound of lint?** _____

A cotton gin cleaned 24 pounds of cotton in 6 hours. If it cleaned the same amount each hour, **how many pounds of cotton did it clean in 1 hour?** _____
